Company Profile

# Mission Statement

At Inventory Listed, our mission is to provide accurate, efficient, and reliable property inventory services that empower property managers, landlords, and tenants. We are committed to ensuring transparency and peace of mind through detailed documentation, fostering trust and safeguarding the interests of all parties involved

This is me, Charlie Stopher. I'm a landlord, and I have also done a lot of the refurbishment works myself. So I know every inch of my properties and, and it frustrates me when an inventory company come in and they've missed something, or its not quite right. So I know the importnance of covering all the details for a good inventory!

And this is my dog, CoCo.  
Why is there a picture of my dog here?  
Well, we all know estate & letting agents love dogs. Also, she's super cute, and chances are that you will remember her face more than mine. Don't worry, she doesnt come on inspections with me!

# About Us

We are an independent property inventory company that prides itself on providing impartial, unbiased, and highly detailed property reports. As landlords ourselves, we understand firsthand the critical importance of accurate inventories. We know that a well-documented inventory is essential for protecting both parties in any rental agreement, and we ensure that every report we produce reflects that understanding with the utmost attention to detail.

Partnering with the right company is crucial, especially one that can represent you during check-ins and check-outs. We also value flexibility in accommodating any specific requests you may have for your reports. We hope to align with your values and build a strong, successful partnership.

Our aim is to be more than just a service provider – we want to become a trusted partner who aligns with your values and goals. By working with us, you can be confident that we will support your needs with professionalism, reliability, and a commitment to excellence. We believe that together, we can create a partnership that ensures peace of mind and success for all parties involved.
